Hahahahahahaha.

No, that's okay, I will just leave that blank.

We actually still use ours, but mostly for spill calls and purchase orders.

Thanks,

I think we might have a fax machine in the Smithsonian that we could use. Ha!

I would say you don't need to include a fax number since no one uses them anymore. Off the top of my head I do not know the fax number of the machines on my floor (and I am working from home today) but could look it up tomorrow if you really want. Happy Monday!

Woohoo!

PS: What is your FAX number?

I'm putting the finishing touches on the PP Draft, and need that for the Contacts section.

Thanks,
Jeryl

Hey Dante,

I checked with Greg, had him resend the scanned in document to me.
It opens just fine, so I'm attaching it here.
Hopefully this will work for you.

Jeryl

Jeryl,
Thanks for getting back to me but I was talking about the attached file, the consultation agreement as opposed to consultation request. (See attachment).

Hey Jeryl,
The pdfs of your tribal consultation agreements were corrupt. Greg had sent them to Angeles the other day. Can you send a clean version (non-corrupt) of them? Sorry to bother you with minutia!
